ELFA questionnaire

Why this questionnaire?

ELFA is working on a new communication and database system in order to provide a better service to its members. We realize that over the past few years contact names and addresses have changed making communication with our members more difficult and slow than it needs to be. In order to solve this inconvenience we need your help in updating our records. Please fill out this questionnaire as fully as possible and **e-mail it back to us: membership@elfa-edu.org**. The information given will not be released on our website, but only used for ELFA business.
